Proposal from the IFFA Board to the IFFA Annual Meeting:

The IFFA Board has worked on a new fee structure, taken into account the large difference of economic capacity among the IFFA member organization and the need to strengthen the IFFA budget. During the work the board has consulted member organisations.

The proposal for 2018 membership fees is:

- Small economic capability member organisations 250 Euros

- Medium economic capability member organisations 500 Euros
- Large economic capability organisations 1.500 Euros
- Small economic capability associate member organisations 250 Euros
- Large economic capability Associate member organisations 500 Euros

In consultation with the Board the members may choose their fee category according to their economic capability
